ON A REUSABLE WATER BOTTLE AT THE USC BOOKSTORE

A PLUG FOR UNPLUGGING

Power down game consoles, TVs, and computers, and disconnect electronics when fully charged. Turn off lights and electronics when you leave the room.

LESS IS MORE

Take short showers; wash full, cold-water laundry loads; run a full dishwasher instead of hand-washing dishes; and report leaky fixtures in USC Housing buildings to your *Customer Service Center*.

CHILL OUT

Adjust your thermostat set points to 78° in the summer and 68° in the winter.

TAKE A RIDE ON THE GREEN SIDE

Get out of the car and find convenient alternative transportation solutions on *Traveler*, USC's mobility hub.

REFILL = NO LANDFILL

Refill your water bottle at one of the hydration stations across *UPC* and *HSC* campuses.

KNOW BEFORE YOU THROW

Make it habit to *recycle and compost* using the multi-stream waste bins around campus.

YOU'VE BEEN GREENLIT

Now find out how to make your campus events *sustainable*.

LESS PAPER, MORE TREES

Take notes electronically, use recycled paper, and print double-sided.

FOOD FOR THOUGHT

Reduce your carbon footprint by eating a more *sustainable diet*. Check out USC Hospitality's Eco-Mondays menu across UPC dining halls.

GREEN TROJANS, ASSEMBLE!

Join one of USC's student *sustainability organizations*.

STOP TRASH BEFORE IT STARTS

Eliminate single-use plastic items by reusing utensils, straws, food containers, and shopping bags.

KEEP UP WITH THE GREEN TEAM

Sign up for the Office of Sustainability's *newsletter*.

KNOW IT ALL

Check out the USC 2015-2020 *Final Sustainability Summary Report, 2021 STARS Report*, and more at green.usc.edu.

ERASE YOUR E-WASTE

Recycle old batteries, printer toner, and electronics through USC's *Environmental Health & Safety Department*.
